

Sri Harold Klemp
The Mahanta, The Living ECK Master

ECKANKAR, The Path of Spiritual Freedom

Eckankar teaches simple spiritual exercises to experience the Light and Sound of God. As we practice the spiritual exercises, we learn to recognize the presence of the Holy Spirit in our lives. We learn that each of us is Soul, a spark of God sent to this world to gain experience.

Harold Klemp is the spiritual leader of Eckankar today.

HU - The most ancient, secret name for God. The singing of the word HU is considered a love song to God.

Mahanta - A title to describe the highest state of God consciousness on earth, often embodied in the Living ECK Master. He is the living word. An expression of the spirit of God that is always with you.

Sugmad - Another sacred name for God.

Change Your Life with Divine Imagination: *Magnify the Creative Spark Within You*

Debbie Bryk-Serva, ECK Cleric

“The Holy Spirit will give us all that we need. First, we must learn to expect the best in life, and be willing to plan and work for it. Second, we need a clear mental picture of what we desire. Third, this picture is to be maintained constantly, with the certainty that Divine Spirit will supply any rightful desire. Fourth, there must be gratitude for every good thing received.”

—Harold Klemp, *The Language of Soul*, p. 67

Spiritual Discussion

1. A child-like attitude and can-do spirit are a couple of keys to magnify the creative spark within you. Share ways you slip into the creative mode and keep your focus when dealing with changes/challenges. Share your insights.
2. Why is gratitude important when using divine imagination?
